## SMITH APPEALS TO CIRCUIT COURT

Fred M. Smith, accused by Miss Doris A. Lake of assault and battery, was found guilty Friday in justice court. His attorney, John P. Kirk, waived a trial by jury when he learned that Constable Maddux had made up a list of names of 18 women. We could stand for half women, but not all, said Attorney Kirk.

The testimony showed that the dispute arose of a pair of shoes that Miss Lake had taken to Smith's repair shop to be mended. She testified that he struck her on the jaw.

He was found guilty by Justice M. B. Stadtmiller and fined $25 and $8.95 costs or 65 days in the Detroit house of correction. He appealed the case Saturday to the circuit court.

## SIGNAL CORPS RETURN FROM GRAYLING SUN.

A large crowd assembled at the Michigan Central depot Sunday afternoon to welcome the boys of the Signal Corps home from Grayling, where they have been attending the encampment of the Michigan National Guard.

The boys left Grayling at 5:30 Sunday morning and many confessed they were not adverse to getting up at 3 in order to pack, as Saturday night was extremely cold and many found it hard to sleep comfortably.

Lieutenants Schrepper, Millis and Beranek came back with the Signal Corps. A small detachment under Captain Bergin remained in camp to assist in cleaning up the camp.

## DATE FINALLY SETTLED FOR FAMOUS? GAME

The much advertised, much talked ball game between the Rotarians and Kiwanians will be played Thursday afternoon at 3 o'clock, Normal grounds, Sept. 1. Manager Dan South of the Rotary club makes the statement that there will be no more postponements and that the game will be played on this date, rain or shine, and that he will show Maurice Day and his bunch of Indians that there is something besides talk to this game; that he is out to win and that his ball tossers will give an exhibition of the national game never before witnessed in Ypsilanti (?)

There is considerable feeling over this game. The Kiwanis seem to think that Dan purposely postponed the game so as to give his team more time for practice, as he realizes thta he is up against a stiff proposition and is playing for time. At any rate the public is going to be highly pleased when this game is played off and Dan says he has it from the weather man that he is going to be good on this date and let the game come off.

## UNITED IN MARRIAGE WEDNESDAY EVENING

A very pretty wedding was solemnized at Emmanuel Lutheran church Wednesday evening, August 24, at 7 o'clock, when Miss Marie Louise Stein, of Sheldon, became the bride of Mr. George Andrew Smith, Rev. Hugo Fenker officiating. To the strains of Lohengrin's wedding march, played by Mrs. Ruth Drake, who played throughout the entire ceremony, the bridal procession, led by the ushers, Mr Frank Foster, Mr. Howard Stein, and the pages, Masters Carl Scheffler and Richard Root, moved toward the altar, where the bride, on the arm of her father, was met by the groom and best man, Mr Louis Stein. The ring ceremony was used. The bride was lovely in a beautiful gown of white georgette and lace over white satin and wore a veil fastened with orange blosoms and carried a shower bouquet of white roses. She was attended by Miss Emogne Smith as maid of honor, who was attractively gowned in yellow organdie, with hat and corsage to match. The bridesmaids looked very pretty and were Miss Helen Adams and Miss Irene Quackenbush. Miss Adams wore pink organdie and Miss Quackenbush green silk tulle over messaline, with hats and corsages to match their gowns. The ring bearer was little Miss Phyllis Dingeldey, of Wayne, who carried the ring in a rose and looked very sweet in a dainty frock of white moline over flesh silk. The church was decorated with palms and golden rod. Preceding the ceremony "Oh Promise Me" was sung by Mr Louis Wolter. After the ceremony a reception was held at the home of the bride's parents for the immediate relatives. A delicious luncheon was served and the decorations were pink and white After a wedding trip to Cleveland and Niagara Falls Mr. and Mrs. Smith will be at home in their new home on Artley road. Mrs. Smith is well known here, being a graduate of the high school and Normal college.

## RAY BATTERY WINS CLOSE GAME SUNDAY

Sunday's baseball game between the Ray Battery team and the Auto Workers of Detroit made a decided hit with the large crowd assembled at Recreation park Sunday afternoon. It was the unanimous verdict of the crowd that a cleaner, faster game had never been played in Ypsilanti

The game lasted about one hour and fifteen minutes and resulted in a score of 1 to 0 in favor of the local team. The entire game was marked by steady, almost errorless baseball. Only two errors were made in the whole game, one in the fifth inning when Carlson, of the Ray Battery, bungled an attempted putout when a runner was caught between first and second, and the other in the last of the ninth when the second baseman of the Auto Workers overthrew to third, letting Rynearson in with the winning run and the only run of the game.

Rynearson pitched his usual game, fanning 13 men in the nine innings, while the opposing pitcher accounted for four. In addition to this Rynearson was responsible for the circuit clout in the ninth that broke up the game.

The Auto Workers are said to be desirous of another game with the Ray Battery in the near future and it is hoped that they will be accommodated. They have an excellent team, opinion being evenly divided as to which of the two teams was the stronger. The Ray Battery will play the Wyandotte Independents next Sunday.

## OLD CLINTON TRAIN TO VISIT YPSILANTI

Thursday, August 25, the famous old "Dewitt Clinton" train will be seen in Ypsilanti. It will reach here at 7:30 a. m., central time, and remain about one hour.

The 90-year-old train will arrive here at a speed not exceeding 10 miles an hour. There will be the noted old engine with its high wheels and tall smoke stack, a tender and three "coaches." Accompanying it will be the hardly less famous "999" of the New York Central lines, which in 1893 established the record time of 112 miles an hour when it hauled the Empire express from Chicago to New York city.

The "Dewitt Clinton," named after the New York governor who broke the ground for the first railway, is still in good shape, engineers say. The maximum speed attained by the old engine was 30 miles an hour, when it ran in 1831 from Albany to Schenectady.

Miss Lottie Day, superintendent of Beyer Memorial hospital, is taking her vacation.

Mrs. Willis Dolph and daughter, Orpha, were in Detroit Tuesday on business.

## MOORE REUNION HELD IN SUPERIOR TOWNSHIP

The Moore family reunion was held this year at the home of Mr. and Mrs. Charles Freeman, of Superior township, on August 16. It was the twenty-fourth of these meetings and the descendants of the two Moore families, that of John and Mary Moore and Lewis and Sarah Moore, were present.

Guests began arriving early in the forenoon and by noon 93 had assembled. Among those in attendance were: Mrs. E. L. Haight, from Ionia, her son and daughter, Dr Haight, of Highalnd Park, and Mrs. E. L. Everett and daughter, of Detroit; Mr. and Mrs. Eli W. Moore and son, Dr W. S. Moore, and wife and daughter, Mary, of Ann Arbor; Mrs. Anne Moore, of Ypsilanti; Mr. and Mrs. Pusey W. After all had eaten their fill and tables cleared the meeting was called to order by the president, Dr. W. S. Moore, and opened by singing. Rev. Howard Moore offered prayer and Mrs. Helen Kelly gave the address of welcome.

The secretary's report for 1920 showed that there had been three marriages, 11 births, including one pair of twins, and five deaths.

A very interesting letter was read by Mary Moore from her daughter, Emily, in China, telling in a most pleasing manner of some of the curious customs in the wonderful country to which she has gone as a missionary.

Mr. Murray White, of Ann Arbor, gave a fine talk about his visit to California last winter.

Elizabeth C. Moore, also of Ann Arbor, gave an original poem which she has dedicated to the memory of the founders of the Moore reunion—Uncle Jacob Moore, formerly of Ionia, and Mrs Moore's brother, Garrison Moore, late of Bellevue. Both men are deceased.

Dr. Haight, of Highland Park, offered a few suggestions to increase the interest in the reunions and to work up enthusiasm to make the 1922 reunion, it being the twenty-fifth anniversary, the banner one of all, and is to be held in Ionia. The old officers were reelected as follows:

President, Dr. W. S. Moore, Ann Arbor; vice-president, Charles Moore, Pontiac; secretary and treasurer, Mrs. Anna Hanley, Tecumseh; assistant secretary and treasurer, Mrs. Elva Moore, Pontiac.

The meeting was closed by singing "Sweet By and By," and all again gathered around the tables to eat ice cream and cakes, and gave Mr. and Mrs. Freeman and their family of eight fine children a rising vote of thanks for their kind hospitality and generous entertainment.

Mr. Eli Moore, 87 years of age, was the oldest person present.

## BELLEVILLE

Miss Margaret E. Hope.

Word was received here that Ives M. Pegg passed away on his farm near Clayton one day last week. Mr. Pegg was well known here, having clerked for S. W. Campbell, of this place, a number of years.

The family reunion of the Miller family was held at a grove near Preston on Thursday of last week. It was well attended and all reported a good time.

G. N. Dawson, of Detroit, was calling on old friends a couple of days last week. He thinks we have a very enterprising village.

The Riggs family re-union was held at the home of Mr. and Mrs. Nelson L. Rogers Thursday of last week. Every effort was made to make all feel welcome and enjoy the day.

Mrs. D. G. Renton and friends of Detroit were callers at the home of her sister, Mrs. L. E. Coykendall, Thursday of last week.

H. F. VanSchoik, who has been ill with typhoid fever the past three weeks, is on the road to recovery. He discharged his nurse Wednesday of last week and is now able to sit up and expects to be on the street by the last of the week.

The Belleville Automobile club picnic was held at Slocum's Island Friday of last week and was well attended Our little berg was surely deserted for the day but brightened up some when the autoists came rolling in toward night. The games and sports made it very entertaining for the children and young people and the cordiality extended at the noonday meal was more than appreciated by those not members of the club.

Harley Raymond moved his family to Willis one day last week.

Mr. and Mrs. E. E. Atyeo, of Ann Arbor, and Mrs. Wm. A. Atyeo, of this place, motored to Ohio last week, where they visited relatives, returning home Friday.

Mrs. E. R. Swift and children, of Comstock, Mich., are guests at the home of her sister, Mrs. Kate Clark.

Mr. and Mrs. Joseph Kott and Mr. and Mrs. Lester Hanna left last week for a trip to Niagara Falls, New York city and several other places of interest.

Mrs. Mary Palmer and daughter, Jennie, of Ypsilanti, are spending a couple of weeks at the home of Joseph Kott during their absence.

Mr. Charles Bortz, aged 76, was seriously hurt here Wednesday morning of last week when the team he was driving ran away near the Joe Gardner garage, throwing him and his grandson from the wagon. Mr. Bortz was at once rushed to Ann Arbor to the hospital and the grandson was taken home.

Miss Rose Crysler, of Detroit, is spending the balance of her vacation at the home of her sister, Mrs Kate Clark. Miss Carrie Crysler was a week-end visitor at the same home.

Stuart R. Hope returned Thursday evening of last week from Fort Sheridan, where he spent a two week's vacation, and left Monday for Lansing, en route to East Tawas, where he will spend the rest of the summer in replacement training in forestry, returning to M. A. C. in the fall.

The Pullen reunion was held at the M. E. church parlors Wednesday. A goodly number was present and enjoyed the usual good feed and hearty handshakes.

Mrs. W. O. Renton, who is confined to the house with typhoid fever, is on the gain and it is hoped will soon be able to be about.

Mr. and Mrs. Frank Sands are on the sick list and are being cared for by Mr. and Mrs. Charles Wright.

Mr and Mrs. E. E. Atyeo and son, Roger, and Miss Jamieson, all of Ann Arbor, were Sunday callers in this village.

B. R. Thurston, of Toledo, who has been a guest at the hme of Mr. and Mrs. Frank Miller for a few weeks on account of taking treatments at the U. of M. hospita, returned home last week, accompanied by his daughter, Dorothy, who has been here several weeks.

The new cement road leading south from the village was open to the public Sunday. This road is a great improvement and when completed at the other end will acord a great pleasure ride for autoists.

Mr. and Mrs. M. S. Stringer, of Plymouth, were visitors here Monday, and on their return home were accompanied by the latter's mother, Mrs. Helen Miller, and aunt, Mrs. Mary Brace, who will spend a week with them.

## MAN ABOUT TOWN

THINGS HE SEES AND HEARS ON OUR STREETS.

**Who's Who in Matrimony.**

On the sea of matrimony
'Tis a knack to keep afloat;
He who pays the alimony
Is the fool that rocks the boat.
—Wayside Tales.

How about it, Bill?

Five cent shoe stands have made their appearance in Ypsilanti. Another sign of the times. We can have our shoes shined twice a week now.

Right on the top of this along comes a feilow and tells us that sugar is going to be higher and that they are talking of putting another tax on automobiles. Uncle Sam, we always thought you were a pretty good fellow, but lately you have been playing havoc with our pocketbook. Why not take a vacation? If you don't, we'll have to.

Jim Hart tells us that he is going to have some band here for the last concert; says that every man who ever tooted a horn or beat a bass drum now living in Washtenaw county is going to be in that band Well, anyhow, we know when Jim say so there will be something doing, so best be on the safe side and expect something out of the ordinary.

While walking up the street the other day we overheard a man say that he had his taxes paid and his coal all in. Our coal has been all in for some time—or all gone—both mean the same thing to us, and some of our subscribers who promised to come across about six times went on their vacation and forgot us. So you see—Oh, well, what is the use of talking about it? They are not paid yet.

We happened in a certain shoe store the other day where a lady and her husband were negotiating for a pair of shoes for the lady at the bargain table. The lady found the shoes to her liking and the price had been reduced to $1.85. At this point the husband said that he could buy the same shoe at $1.50 of Sears Roebuck, but intimated that he was perfectly willing to pay $1.75 for his wife a pair of shoes. The merchant let them walk out of the store and we expect that Sear-Roebuck got an order. What a reward for a woman to live with a man like that. He ought to be shot at sunrise

### SINK GIVES TALK TO KIWANIANS.

State Senator Charles A. Sink, of Ann Arbor, gave an interesting talk Wednesday at the meeting of the Kiwanis club. He praised Warden Hurlbut of Jackson prison and criticized those so-called reformers whom he characterized as long-haired men and short-haired women. He told of how a bill becmes a law and also discussed taxes.

President Arthur Sullivan gave a report of his fishing trip. He said "The fishing was good but the catching poor."

Several Ann Arbor members were present and invited Ypsi members to picnic August 31 at Whitmore Lake.

### TAKE ROTARIAN CRUISE.

A number of Rotarians with their wives and children went to Detroit Wednesday to go on the Detroit Rotarian cruise to Put-in-Bay. A fine program has been arranged and there will be something doing every minute of the day while on the trip and at this popular resort.

# Be Loyal to Your Children Protect Their Growing Feet

Do not cripple their feet for life by making them wear wrong shaped shoes. Every foot trouble you ever had yourself you can probably trace to that. Childhood is the time when foot bones are forming, and Selz Liberty Bell shoes assist them in growing straight. For active boys and lively girls there is nothing safer and nothing, price for price, that will give longer wear. These Liberty Bells are made of all leather, yet they cost no more than shoes of leather substitute.

# A World Necessity

What makes possible the running of farms and businesses; the erecting of schools and churches and homes; the building of roads; the payment of wages; in short, the carrying on of human activities and life itself? It is saving, your saving, our saving, the saving of those who lived before us, that makes these things possible.

You couldn't borrow if someone hadn't saved and when you haven't saved enough for your own use you must pay others for the use of what they have saved. It's fair, isn't it?

But why not save for yourself, receive 4 per cent compound interest on your savings and accumulate enough to buy things you will want with your own money?

Opening a savings account with us will help you do these things.

*Time to think of School Shoes*

This time try a pair of our "HOWARD" Boys' Shoes. We guarantee these shoes to give one-third more wear than any shoe made or a new pair.

Just ask the boys that wear them. They are dressy yet heavy enough to wear.

If your boy wears one pair of "HOWARD" Shoes you will have no other.
